Mr. Birkby,

Thank you very much. We look forward to coordinating the exact time that the band will play the two sets.

I first want to know the size of the stage that you will need so that we know

what to order. Also, what sound needs do you need?

We look forward to having you perform at the LA Fleet Week Welcome party.

Best regards,

Mrs. Parker,
Thank you for responding so quickly, and I enjoyed meeting you yesterday. We are very interested in performing at the LA Fleet Week Welcome Party for LA Fleet Week 2017. I reviewed our records from last year, and it looks like the welcome party was combined with the First Thursday Artwalk, is that correct? If so, I think that our 32nd Street Brass Band is the best fit for the event. Last year we performed after the USO Satin Dollz at 7:45 PM. Please schedule us for a similar time slot. As we get closer to the week, I or one of our band members will contact you to firm up the logistical details. Until then, thanks again for requesting us, and if you have any further questions or concerns, feel free to contact me.

Please let us know if you will be able to accommodate this request and what time would be convenient for you.
